

CHA Fiscal Year 2025

Cambridge Health Alliance (CHA) is a safety-net health system serving people from across the Boston region. As the sole public hospital in Massachusetts, and a national leader in patient-centered care and health equity, CHA brings together world-class clinicians, community health experts, educators, and researchers in an integrated model of caring, learning, and discovery. Today, CHA serves people of all ages, in many languages, while fostering a healthcare system committed to excellence for every patient, every time.
