Internship Admissions, Support, and Initial Placement Data

Date Program Tables are updated: 09.09.2026

Program Disclosures

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values?	☐ **Yes** ☑ **No**
If Yes, provide website link (or content from brochure) where this specific information is presented:	

Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:
The Cambridge Health Alliance/Harvard Medical School Clinical Psychology Internship Training Program accepts applications from doctoral psychology students in either clinical or counseling or school PhD or PsyD programs that are accredited by APA or CPA. All applicants are expected to have completed all coursework for their home institution as well as have a department-approved dissertation proposal prior to the start of the internship training program. Applicants are expected to have accrued a minimum of 200 supervised practicum direct contact intervention hours. There is no required minimum number of direct contact assessment hours. For complete eligibility requirements, kindly review our APPIC directory listing.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:			
Total Direct Contact Intervention Hours	YES		Amount: 200
Total Direct Contact Assessment Hours		NO	Amount: 0

Describe any other required minimum criteria used to screen applicants:
N/A
