

Move for Books

April 12 - April 28, 2024

Move For Books is a staff driven event, where we encourage over 4,000 CHA employees to raise money for our pediatric book program through movement. Help us raise \$25,000 for Project READ by sponsoring the event. Your support will go towards providing new books for underserved CHA families and their children. Expand imagination and learning today.

Benefits Project READ, CHA's childhood literacy program designed to promote early childhood literacy in the pediatric health care setting.
