Welcome to the **Department of Obstetrics & Gynecology** at Cambridge Health Alliance! Thank you for choosing us to be your partner in health.

At Cambridge Health Alliance, we work hard to create a caring environment that meets individual needs. Our comprehensive system and expert staff provide services for people of all ages. We offer general obstetric and gynecological care, midwifery care, maternal fetal medicine, and adolescent care. We also work closely with our clinical partners to offer nutrition and mental health services.

As a teaching site for both Tufts University and Harvard Medical School, our department blends clinical skill with the warmth and compassion that you expect from a community hospital. With five OB/GYN sites in Cambridge, Somerville and Revere, you can be sure to find a provider in the most convenient location. As you plan ahead, we also offer incredible doctors to help you care for your new baby. You can choose one that practices near your home by visiting [www.challiance.org/pedi](http://www.challiance.org/pedi).

I know that you have many choices for health care, so thank you for taking the time to investigate all we have to offer. If you would like more information, please call us directly at **(617) 665-1660** or visit our website at **[www.challiance.org/obgyn](http://www.challiance.org/obgyn)**. Thanks again for choosing Cambridge Health Alliance for your health care needs.

Sincerely,

A handwritten signature in black ink that reads 'Tara Singh'.
